# WE'RE MOVING

## TO A NEW LOCATION

**Come and see us at our new location  
in Westborough in January!**

---

**125 Turnpike Road (Route 9 Westbound)  
Westborough, MA 01581**

**We're just 30 minutes from Newton!  
Close to the intersection of Routes 495 and Route 9, one exit from the MA Pike.**

Yes, the time has come for us to fly from Brookline and we have settled in a wonderful office on Route 9 in Westborough. More space, more light and lots more parking are just some of the great

things about our new office. Of course you can still come and see us at our Holden location, but we're excited to get to know our neighbors in Westborough.

We will still be available for appointments in Brookline until the end of January and our new Westborough clinic will be open in mid-January. We will have reception available and a full stock of our remedies to make it easier to pick up what you need to stay on track with your healthy protocol.

**So if you still want to see us in Brookline, please book your appointment as soon as possible!**

We are also offering an incentive below for your first appointment at our new location! Our emails, phone numbers and wonderful therapies will still be available with one important exception...

The wonderful Kate Leighton and her colonic hydrotherapy is taking over our space in Brookline! Yes, Kate is leaving Conscious Body and starting her own business:

## Refresh With Kate

Beginning January 1st, Kate will be starting her new practice right in our Brookline office space. We will miss her smiling face at Conscious Body but we are all excited for her new endeavor!

**For colonic appointments or to contact  
Kate:**

## Your Conscious Body Therapists

Karen Clickner, Iris Stowe and Cheryl Tremblay will all be waiting to see you at both our Holden and our new Westborough clinic locations. We will continue to provide Naturopathic Medicine,

Decongestive Lymphatic Therapy, European Regulation Thermography and Heart Sound Recorder Testing. PLUS something new! Massage Therapy with our dear friend Johnna Gorman.

## Welcoming Johnna Gorman to our practice!

You may know Johnna Gorman because you are a fan of JJ's Ice Cream Shoppe in Upton that has been run by Johnna and her husband John for years. But what you may not know is that Johnna is an incredibly skilled massage therapist with 23 years of experience in Central Massachusetts. We are thrilled for her to join our practice in Westborough providing her amazing bodywork along with Decongestive Lymphatic Therapy. Just one more reason to visit our new clinic!

**Come for your first therapy appointment of 2021 at our new Westborough Clinic location before March 1st and receive 20% off!**
