Our Westborough Clinic  
is now open!

We are finally open in  
Westborough and  
have started seeing  
our first patients!

We would love to see you  
there, so here are all the  
details!

**Hours:** Westborough will be open for appointments Saturdays 9-5, Tuesdays and Thursdays from 4-8 and Wednesdays 12-8. It will be closed Mondays and Fridays. We will eventually also be opening on Sunday mornings for Thermography appointments. If you are planning to just stop by, give us a call first to be sure we are available!

**Therapists:** All of our therapists will be working in Westborough and Holden except Johnna Gorman who will only be available in Westborough.

**Medicinals:** We will be carrying a full stock of our specialized medicinals in both Holden and Westborough. Pick-ups are available in Westborough during our regular business hours and in

Holden anytime.

**Contacting us:** We have the wonderful Lesley now answering our phone to help you with appointments and will be present to greet you at the Westborough office. Cheryl will still be managing all of your medicinal orders.

**Our Location:** We are at 125 Turnpike Road in Westborough just a few minutes from Route 495. This is actually Route 9 Westbound immediately after Frank's Bicycle Barn and before the light at Lyman Street.
